Merriam Woods Conservation Easement

1. Receipt of and inclusion in minutes of letter from Peter Jackson, former member of the board of directors, and former co- president of the RCA.
2. Receipt of and inclusion in minutes of letter from Ladd Raine, Co-President Rumney Climbing Association. He is here this evening.
3. Recognition of Phone Conversation between Laura Spector Morgan, town counsel and Cate Knowler, board member of the RCA. She apologized that no one obtained permission before laying out the climbing routes. She says they didn't know they had to, but then she said they've worked with landowners before, so I think it's just that no one really thought about it at all. She is here this evening.
