# **PUBLIC NOTICE**

## **TOWN OFFICE BUILDING CLOSED**

This is a very difficult time as the COVID-19 pandemic continues to develop at a rapid pace. It is important that the Town of Woodstock and our residents continue to listen to the guidance of public health authorities and take all necessary precautions to keep ourselves, our families and the community safe. The Town of Woodstock takes this very seriously and is taking additional actions to ensure the safety and health of our staff, volunteers, residents, and our patrons.

The Town Office Building will be closed this Monday and Tuesday in order for Town Officials to assess and determine an Emergency Response Plan for the Town of Woodstock. Public Notice regarding future Town operations and building closures will be announced Tuesday afternoon.

We encourage our community members to utilize our online programs at [WoodstockNH.org](http://WoodstockNH.org) to process motor vehicle registrations, dog licenses, vital records, and tax/utility payments or process any regular business by mail. We recognize that the Town is a valuable resource during situations like these and will continue to do our very best to serve you. For questions and concerns, please contact Executive Assistant, Judy Welch at 603-348-8752.
